## OTHER INFORMATION

### Coverage Area

You will have access to the Optus 4G network throughout Australia. If you are outside the Optus 4G area than you will automatically have access to the 3G network, subject to your equipment being compatible. For current coverage go to:<http://www.optus.com.au/shop/mobile/network/coverage>

### Call and Data Usage

We will automatically send you email alerts as your usage increases. We will sent you an alert when you reach 50%, 85% and 100% of your allocated monthly data.

### Usage Information

Some unbilled usage may also be accessible by visiting <https://myaccount.expresstelecommunications.com.au/login> Your usage will be subject to our "Fair Use Policy" see:- <http://www.expresstelecommunications.com.au/pdfs/policy/FairUsePolicy.pdf> If you need any assistance, contact our Customer Service team on 1300 397 737.

### International Usage

Prior to using this service overseas, check our website for current roaming rates and that roaming has been activated. The included value and data is not available overseas. Contact your local Express Telecommunications representative or call 1300 397 737 if you would like information on using this service in a specific overseas country. Charges for international use may be significantly higher than within Australia.

### Changing Wholesale Provider or Plans

Express utilises a range of different wholesale providers to deliver products and services that best suit our customer's needs. We may change the provider or the plan for your service for the remainder of your minimum term and move you to an alternative provider or plan that is reasonably comparable with your current plan.

### Bills and Billing

You will be issued with a bill on the same date each month, unless we advise you that the date will be changed. The minimum monthly charge figure in this Critical Information Summary are based on one month's charges. You will be billed in advance for your minimum monthly charge and in arrears for your usage.

This is a summary only – see [www.expresstelecommunications.com.au](http://www.expresstelecommunications.com.au) for full terms and conditions. V.6.2

### Your First Bill

Please note that your first bill will often be higher than normal because it will include pro-rata charges. It will include your minimum monthly charge (in advance), plus an additional minimum monthly charge (or portion of it) based on the number of days in the initial billing period. Plus any connection fees, hardware purchases and usage charges for the initial period.

### How To Pay

You can pay for your service with BPay, Direct Deposit or Electronic Funds Transfer (EFT). You can also post a cheque or Pay by Phone with your Credit Card. Full details are included on your Bill.

### Customer Service Guarantee (CSG)

The Express Telecommunications monthly charge and set up fee is based on your agreeing to waive your CSG. For more information on your rights and waiving the CSG please visit <http://www.acma.gov.au/Citizen/Consumer-info/Rights-and-safeguards/Phone-connection-and-repair/waiver-of-rights-under-the-csg-standard-fact-sheet>

### Fair Use Policy

The "Fair Use Policy" is designed to ensure that all our customers can access our services, without using those services in what we would consider to be an "unreasonable" or "excessive" manner, including, but not limited to "non-ordinary" or "commercial purpose use" of this plan. It also covers our actions related to monitoring compliance and our obligations to comply with directions from government, regulatory and other law enforcement bodies.
